STEPS FOR NLCSCIAA AFFILIATION

Step 1. Complete and submit request for NLCSCIAA affiliation

Interested schools and organizations should complete the request for NLCSCIAA affiliation form and return it to the NLCSCIAA office. Private schools located in California also need to complete and submit the NLCSCIAA Initial Visit Private School Supplement a $250.00 application fee is required and should accompany the completed forms.

Step 2. Complete and submit Initial Visit Application/School Description

After we receive the request for NLCSCIAA affiliation form and if we determine that your school or organization is eligible, then your office will be sent an Initial Visit application/School Description form to complete.

Step 3. Initial Visit Fee Invoice

After you complete and send back the Initial Visit application form your office will be invoiced a $500.00 Initial Visit Fee. This needs to be paid before the visit.

Step 4. Onsite Initial Visit

Upon receiving your Initial Visit Forms, a date will be set by the chairperson of the visiting committee. They will come and evaluate your facilities and review your information that is in your forms and evaluate your program.

Step 5. After the Commissions' Action

The Visiting Committee will provide a report and a recommendation to the NLCSCIAA Executive Committee. The Executive Committee will make a final decision of what status your school or organization will carry. It will be Interim Accreditation, Candidacy for Accreditation, or denied NLCSCIAA affiliation with opportunity to re-apply at another date. (6 month probation time is mandatory)

Step 6. Notification

The Executive Committee will notify your office in writing of their decision and you will receive a copy of the Visiting Committee's report. At that time if you feel something has been misrepresented you can appeal in writing within a 30 day period. At which time the Executive Committee will study the appeal and answer.
